

# Executive Protection Services

# Close Protection Services

In our continuous efforts to diversify the services offered to our existing and new customers, Securitas is offering an extended line of Executive Services. Securitas with its extensive knowledge and experience in Executive Protection Services along with its dedicated Close Protection Officer (CPO) provides:

- ✓ VIP Protection
- ✓ Diplomatic Protection
- ✓ Escorting
- to/from airport, hotel, meetings
- to/from high risk areas- day trip or overnight trips

## **Mission Support**

Securitas is increasingly supporting companies in their mission where security is needed for surveys or other functions in remote or high risk areas. We provide vehicles, Security Officers, close protection, radios and all needed equipment in accordance with the risk assessment performed to fit our customers' needs.

## **Safe Road Movements**

Securitas provides a safe environment for movement of your employees or projects. Choosing the safest route, preparing alternative routes is part of our Risk Assessment to ensure the safe movement. Missions vary according to the specific needs of our customer, and includes:

- ✓ Certified defense drivers and CPOs to scout the roads ahead of a convoy or shipment
- ✓ Risk Assessments of certain areas and liaison with government authorities to advice on routes
- ✓ Personal movement assessments of CEOs and VIPs for the daily traveling pattern

## **Other Executive Protection and On-Demand Services**

### **Intrusion Tests**

Evaluate the existing security of a customer site by simulating an intrusion. It generally aims to highlight the weaknesses of the company's security processes and policies, enable the customer to understand their current security design, and provide them with recommendations on how to enhance and mitigate the risks to an absolute minimum.

### **Evacuation Plans**

All Evacuation Plans are tailored to the specific company and its employees, and includes:

- ✓ Ad-Hoc evacuations; urgent requests for evacuations due to a sudden unrest

### **Events/Functions**

- ✓ Pre-risk assessment followed by recommendations
- ✓ Rental of physical equipment such as metal detector gates
- ✓ Bodyguards and other Manpower
- ✓ Vehicles to be used

Securitas is a global knowledge leader in security. From a broad range of services of specialized guarding, technology solutions and consulting and investigations, we customize offerings that are suited to the individual customer's needs, in order to deliver the most effective security solutions. Everywhere from small stores to airports, our 330,000 employees are making a difference.
